

Business Computer Applications

Certificate Program

Program Requirements 11-12
TOTAL CREDITS.....11-12

PROGRAM INFORMATION:

Business certificates focus on the development of job- or career-specific skills in a short-term, concentrated format. The Business Computer Applications Certificate focuses on the mastery of computer software programs with an emphasis on business applications. This certificate is earned after completing 11-12 credits. Students can add value to their skill set and résumé by completing this technology-focused certificate or updating skills by learning new versions of software. Many courses may apply toward the Associate in Science in Business degree and Associate in Applied Science Business: Office Technology degree. For additional information about our business programs, visit our Web site at <http://www.anokaramsey.edu/>.

PROGRAM GOALS:

By completing this certificate, students will achieve the following learning goals:

1. Demonstrate the ability to utilize current business software programs and Internet technologies in the creation and distribution of business communications and in the creation, analysis, and retrieval of data.
2. Use critical thinking skills to analyze and solve business problems.

APPLICATION:

To receive this certificate, submit a Certificate Application to the Office of Records and Registration. Applications are available in Academic Advising Services, or the Office of Records and Registration on either campus. Students may earn more than one business certificate.

COMPLETION REQUIREMENTS:

- All program requirements must be completed at Anoka-Ramsey Community College with a minimum grade of C.
