

Biomedical Technology

Associate in Science Degree

Program Requirements.....	15
Additional Requirements.....	15
General Education/MnTC	30
TOTAL CREDITS.....	60

PROGRAM INFORMATION:

This program prepares students for entry-level positions in biomedical companies or for transfer to four-year colleges. For assistance in program planning, or to explore additional transfer options, students should schedule a time to meet with an academic advisor. This degree may transfer in part or in its entirety to baccalaureate institutions. Students should meet with a representative of the transfer institution when planning their program. The Biomedical Technology degree provides a solid foundation in science and technology as well as proficiency in problem solving, critical analysis, oral and written communication, and interpersonal skills. "Hands-on" learning is a key component, including a field experience with a local biomedical company. For additional information about our biomedical programs, visit our Web site at <http://anokaramsey.edu/BMED>.

PROGRAM GOALS:

By completing this program, students will achieve the following learning goals:

1. Demonstrate the ability to integrate science and math skills with technical requirements of the medical device industry.
2. Demonstrate an understanding of trends, size, and scope of the medical device industry.
3. Demonstrate proficiency in oral and written communication, interpersonal skills and critical thinking/problem solving.
4. Demonstrate an understanding of the processes involved in the design, development and manufacture of medical devices.
5. Demonstrate knowledge of various certification standards and agencies involved in regulatory processes specific to the medical device industry.
6. Demonstrate application of classroom knowledge to industry field experience.

DEVELOPMENTAL COURSES:

Some students may need preparatory courses in the areas of English, reading, or mathematics. Courses numbered below 1000 will not apply toward this degree.

GENERAL INFORMATION:

College-level competence in English, writing, mathematics, and computer competency should be acquired before entering the BMED programs. All BMED program requirements are offered at the Coon Rapids campus.

COMPLETION REQUIREMENTS:

- A minimum of 60 semester credits in courses numbered 1000 or above.
- A minimum cumulative grade point average (GPA) of 2.0 in courses numbered 1000 or above at ARCC.
- A minimum grade of C in all program requirements.
- All BMED requirements must be completed at ARCC.
- Satisfy residency requirements. See page 27.
- Completion of specific degree requirements. To receive your diploma, you must apply to graduate.
- The requirements of this program are subject to change without notice

Program Sequence:

The sequence that follows is suggested for full-time students. Part-time students will need more time to complete this program; many courses are offered in the evening.
